

InClover Environmental Policy Statement

InClover, Inc. is committed to reducing its impact on the environment. We will strive to improve our environmental performance over time and to initiate additional projects and activities that will further reduce our impacts on the environment. Our commitment is to continuous improvement and leveraging InClover to be good for pets, people and planet through our sustainable mission, scientifically formulated products, audited quality standards and employment for good practices.

Our commitment to the environment extends to our customers, our employees, and the community in which we operate. We are committed to:

- Comply with all applicable environmental regulations.
- We strive to reduce our carbon “pawprint” through environmentally friendly cleaning supplies to using 100% green power at our facility.
- Our product must pass strict quality and sustainable practice standards.
- We use sustainable packaging for our product whenever possible.
- We offer environmentally friendly organic certified, non-GMO certified ingredients and natural preservatives where possible.
- Train all our employees on our environmental program and empower them to contribute and participate.
- Communicate our environmental commitment and efforts to our customers, employees, and our community; and
- Continually improve over time by striving to measure our environmental impacts and by setting goals to reduce these impacts each year.

When it comes to your pet and the environment, we like to keep them both happy!
